Two great engines

This improved Hudson Super-Eight engine is the answer for people who want action and power to spare, coupled with smooth performance. You'll get a thrill out of the way this great Super-Eight performs!

If you've ever longed for a six that can "show its heels" to any other six on the road—and to many eights, too!—here's your engine. This all-new high-compression Super-Six engine, most powerful American Six—will out-perform anything of its kind!

Below: Close-up of the richest, roomiest, most comfortable motor-car rear compartment you can imagine. Note arm rests, ash receivers, window cranks and door handles are recessed in door panels at end of each seat to give full use of spacious interiors.
